30 June 2016

Dear Parents/ Guardians

We welcome your child back to school and we want our students to start right and have a great term ahead. Below are some updates of school matters for your attention.

**1. Semester 2 Time table**

Semester 2's time table for all classes is available in the school's website for parents' reference. The IP Coaching time table will be put up when it is ready.

**2. Cultural Fiesta Night (CFN) and Racial Harmony Day (RHD)**

We will be celebrating CFN and RHD on Friday, 15 July 2016 at 6.30pm in school. This colourful and joyous biennial event is a distinctive feature of the school and one that is very much looked forward to by all current and ex Kranjians. The programme includes Sec 1 music performance using I pads, Inter-class competitions for Racial Harmony day, Sec 2 Ethnic Dance Competitions and performance by the Kranji Got Talent prize winners. All parents are invited and attendance at this event is compulsory for all students.

**3. School National Day & Leaders' Day**

School will be celebrating National Day and Leaders' Day on Monday, 8 August 2016. The theme of NDP this year is "Building Our Singapore of Tomorrow". It is compulsory for all students to attend this event. This year's celebration is a special one for our school as our Secondary 1s and 2NT students will be taking part in the National Day Parade 2016 at the Sports Hub. The students have displayed much perseverance in committing to the rigorous schedule and we look forward to seeing a great performance from them.

**4. PRIME matters**

We are making preparations and works at the Holding site are currently underway. We are working hard to ensure that the teaching and learning environment is not compromised in the next two years. Concurrently, plans are also being drawn up for the school upgrading and we want to build a school with the state-of-the-art facilities when we return in 2019.

**5. Evening Study for Graduating classes**

The school traditionally holds evening study sessions periodically for graduating students in Term 3 and 4. We would welcome parents' support as our students work hard in this last lap towards the national exams. Parents who are willing to contribute food items for dinner or even contribute money towards the meal may contact our HOD/Math who liaises with PSG at [sim\\_chin\\_chin@moe.edu.sg](mailto:sim_chin_chin@moe.edu.sg)
